KAWASAKI INFORMATION SERVICE: 0845 600 2442. Always ensure that you study and obey local boating laws and regulation before putting your JET SKI watercraft in the water. Enjoy safe riding and respect the rights of other water users. Always wear appropriate apparel, including eye wear, a personal flotation device, and protective swimwear such as wetsuit bottoms. Operate your craft safely, in accordance with manufacturer's recommendations, and never under the influence of alcohol or drugs. Remember that the rear-view mirrors on some JET SKI watercraft do not provide a full view to the rear. Look aft to make sure. Stand-up JET SKI watercraft are not recommended for use pulling a water skier or wakeboarder. The action picture here took place under controlled conditions with professional riders. Never attempt any action which is potentially dangerous. JET SKI is a registered trademark of Kawasaki Heavy Industries, Ltd.
